BAR SERVICE

It is important to us that our clients receive amazing bar service! We provide in-house alcohol catering and include 1-2 licensed bartenders to serve at events as part of our venue rental package. For small hourly events, bar service can be reserved for an additional \$25/hour. 15% gratuity is added to all hosted bar packages. There are no set-up fees and we provide bar napkins, cups, straws, and ice. It doesn't get any simpler!

BAR PACKAGE OPTIONS

HOSTED/ OPEN BAR

01

The event hosts pay for all drinks. Beer is priced per open keg, and wine and liquor is priced per open bottle. Rather than pay a per-guest fee, only pay for what is actually used during your event.

02

CASH BAR

No cost to you! The guests pay for their own drinks. Beer, wine, and cocktails are priced per drink. We accept cash and credit at the bar.

03

COMBINATION

Clients can choose to contribute a specified amount towards bar costs, and then after that amount is reached, it converts to a cash bar; or clients can cover the cost of beer and wine, but guests pay for liquor drinks. We can customize a bar package just for you, and we can even create fun signature drinks!
